Fee associated with lodging and board

On-campus accommodation

On-campus accommodation is compulsory for undergraduate students during Semesters 1 (except Connect 20 and first 10 weeks of Connect 10+10), 3 and 4, as well as for all undergraduate direct entry and undergraduate exchange students transferring to Les Roches Crans-Montana for the first time. The standard rate covers accommodation in a shared Double Room. After the downpayment is made, all students choosing the school accommodation will receive instructions by email on making a room reservation in our online lodging platform.

Subject to availability, full payment of fees before the deadline and an additional fee (see fee table), students can aim at securing one of the limited number of single rooms via the platform on a 'first-come, first-served' basis. Students' rooms are only confirmed upon the receipt of the full payment of fees as per payment deadline.

On-campus accommodation includes all costs relating to heating, electricity, maintenance, bed linen, housekeeping service (once per week), free wifi and residential kitchen facilities.

Full (residential) or half board

Full board in Crans-Montana includes three meals a day, five days a week, as well as brunch and dinner on Saturdays and Sundays. For students, who received written approval from the Campus Facility Manager to live off campus, the compulsory half board option can be upgraded to full board upon additional payment. Students on half board are responsible for their own dinner and weekend meals.

Insurance

Health insurance coverage is compulsory by law in Switzerland. Therefore all students are automatically covered with the insurance provided by the school. This covers them for health and accident, while on campus and on internship, at the most competitive rate, which may vary from one semester to another.

However, if a student has a private, valid insurance cover equivalent to the Swiss health insurance cover scheme, they may request to get exempted by the Swiss authorities before their arrival on campus. Failure to complete the request, the insurance provided by the Institution will apply. Information about the exemption and comparison between private and school insurance is available from the Admissions department or from the Les Roches website lesroches.edu/apply/accepted-studentinformation/pre-arrival-information/

Students keeping their private health and accident cover are responsible for verifying that their documents are valid while in Switzerland or abroad.

Les Roches will not cover any related expenses. Personal and private insurance, to cover issues such as damage or theft of personal property, is not compulsory but is strongly recommended and is the student's responsibility.

Les Roches cannot be held responsible for the theft of personal belongings, student damage or third party insurance. The health insurance fee for the internship semester(s) will be charged on the invoice for the previous on-campus semester.

Personal expenses

It is estimated that students require on average sum of CHF 500 per month to finance their out-of-pocket expenses such as snacks and drinks, entertainment, personal supplies, laundry, and any other personal expenses.

Internships (if applicable)

Although internships are generally paid by the employer, the remuneration received cannot be expected to finance studies at Les Roches.

Visa application procedure for accepted candidates

As some students will require a student Visa to enter Switzerland, they are kindly requested to verify Visa requirements for their nationality and apply at the right time.

To see if a student Visa is needed to study in Switzerland, please visit the official Swiss website: sem.admin.ch/sem/en/home/themen/einreise/faq.html
