

Why you can feel safe at our Marbella campus

Your safety on campus is our number one priority. We have introduced these key precautionary measures at the Les Roches Marbella campus, in readiness for our students' return. They all align with, or go beyond, the advice of Spanish health authorities and WHO*

Reinforced sanitary protocols

Clear guidelines for personal hygiene

Physical distancing in all situations

Ongoing temperature checks using thermal cameras

Our new safety measures at a glance

In all campus public areas

Campus completely disinfected prior to the arrival of students

Numerous hand sanitizers available in all public areas

Mandatory wearing of face masks on campus

Flow direction/patterns marked on the floor, to enable social distancing

Frequent restroom cleaning (beyond normal hospitality standards)

Main entrance & reception areas

Equipped with automatic thermal cameras that measure body temperature

Specific protocol in place (immediate isolation, meeting with health team, etc.) for any instances of excessive body temperature readings

All students and staff must enter in single file

Classrooms

Students allocated to a specific classroom i.e. no change of classrooms during a given day

Hand sanitizer at entrance of every classroom

Seating with 1.5 meter distance between students

Classrooms, table-tops, etc. cleaned and disinfected at least three times per day

Cameras installed in classrooms for live broadcasting to enable remote learning

Video recordings available on Moodle within 24 hours

* These measures will continue to evolve to follow updated guidelines from the health authorities

Library

Hand sanitizer at entrance

.....

Social distancing of 1.5 meters will be enforced through floor markings

.....
