**Deadline to register:** October 6<sup>th</sup>

**Presentation of Hackathon:** November 16<sup>th</sup>, time TBC

**Reveal of Hack:** November 17<sup>th</sup>, 9am Swiss Time

**Hand in date:** November 18<sup>th</sup>, 9am Swiss Time

### Assignment Overview:

This is a group project of 2-5 people, where you will have 24 hours to contribute to the development of a new platform for a company and create a 3-minute video on a hack that will be unveiled on the first day of the event. Your team will be supported by a mentor to help guide you, should you need any feedback. We will introduce you to your mentor via email once identified.

This project will be in collaboration with the company Viva con Agua (<https://www.vivaconagua.org/en>). You will be required to attend an online presentation from Viva con Agua on the 16<sup>th</sup> of November to learn more about their vision for this project and will then start working on the project on the 17<sup>th</sup>, once the hack is unveiled, and will have to hand in your project on the 18<sup>th</sup>.

Your video will be uploaded to Les Roches social media for the public to vote. The video with the greatest number of likes will win the challenge. Winners will be announced on the 19<sup>th</sup> of November.

**PRIZE:** winning team will have the chance to participate in the implementation of the project. Winners will be announced on the 19<sup>th</sup> of November at the prize giving ceremony.
